25th January, 2012

Dear Parents,

Promoting Enjoyment and Excellence

Extra Curricular Activities Spring Term 2012

We are pleased to announce that a wide range of extra curricular activities will be made available for the children to participate in this term. The club programme will begin w/b February 27th until w/e 23rd March. We are fortunate indeed to have such a dedicated team of staff who are willing to undertake these activities for the benefit of the children. We are grateful to them all for their hard work and continued support.

I am sure parents will agree that the wide-range of options available to the children are indeed very comprehensive for a school of our size. The list, which follows, outlines the activities, which may be undertaken by your child. **Please return all slips to your class teacher rather than the school office by Wednesday 1st February, 2012. This will ensure that all children are guaranteed their first choice of activity. There will also be a box in the entrance foyer to place your slips in, this will avoid slips being misplaced when handed into the office. Unfortunately, any slips handed in after this date cannot be considered for a club.**

In order to gauge the numbers for each club we would like to request that parents again take the time and trouble to complete the attached form. This will help us to ascertain if there are any surplus places available, in which case other children will be given the opportunity to attend. Should the club be cancelled you will be informed in writing, text message service or by telephone with as much advance notice as possible. Once your child has committed him or herself to join a club it is imperative that they attend each session. Should a child be unable to attend a club for any particular reason parents are asked to notify in writing, the adult concerned. Children have the option of selecting more than one extra curricular club, however, parents are asked to note that if there is an over-subscription it may be that children will only be allocated one selection. You will be notified which club(s) your child has been designated to. Please return the attached slip to your child's class teacher who will pass them directly to myself so that I can notify you as quickly as possible.

Yours sincerely,

**Miss T Milligan
PE Co-ordinator**
