Dear Rob Cruise,

#### **INTERNATIONAL SCHOOL AWARD - INTERMEDIATE LEVEL**

Congratulations to you and your colleagues on gaining the **Intermediate category: Developing Internationalism achievement in the International School Award scheme**. We have included a certificate recognising your achievement.

This is an excellent way of promoting the international dimension across your school and highlighting the benefits of learning from across the globe. Your commitment to extending and embedding this is a very valuable aspect of the school ethos and the British Council can support you at each stage of your international activity.

The Global Gateway ([www.globalgateway.org](http://www.globalgateway.org)) has many other sources of information, resources, case studies and examples. Information about the application process for the International School Award is also available on the website.

We will be pleased to offer help, advice, information and support when you need it. We are available to discuss any aspect of your schools international work.

Thank you for taking part in the International School Award. Please convey our very best wishes and congratulations to all staff and students who have taken part in the scheme. I hope that the scope of your international work will continue to develop and benefit the school community.

Yours sincerely

The ISA Team
