

Dear Parents

Monday 14<sup>th</sup> February 2022

**Promoting Enjoyment & Excellence - Extra-Curricular Activities Spring Term 2022**

We are pleased to announce that a wide range of extra-curricular activities will be made available for the children to participate in during the second half of the Spring Term. The club programme will begin w/c Monday 7<sup>th</sup> March 2022 and finish w/e Friday 1<sup>st</sup> April 2022 (unless otherwise stated). We are fortunate indeed to have such a dedicated team of staff who are willing to undertake these activities voluntarily, for the benefit of the children. We are grateful to them all for their hard work and continued support. We are truly proud that we are able to offer such a wide variety of clubs from a relatively small number of teaching staff.

I am sure parents will agree that the wide range of options available to the children are indeed very comprehensive for a school of our size. The list, which follows, outlines the activities, which may be undertaken by your child.

We are piloting a new way of booking these sessions, so please do bear with us. Parents will be emailed a link to each activity their child is eligible to attend via Eventbrite. Click on the link and book a ticket (there is no cost) to just the **first** session, when all available places have been booked there will be no further tickets available so it will be done on a first come first served basis. A ticket for the first session will mean your child has a place for each of the 4 weeks. Apologies in advance if there are any problems with this new system, hopefully there will not be given Eventbrite is already a well-established booking system. This will reduce volume of paper used, thus making school more sustainable and reduce time lost in collating the paper slips.

**Please book a place for your child(ren) on these activities by FRIDAY 18<sup>TH</sup> FEBRUARY 2022 deadline – after this time the event will no longer be visible to book.**

This will also help us to ascertain if there are any surplus places available, in which case other children will be given the opportunity to attend. Should the club be cancelled you will be informed via text message or telephone with as much advance notice as possible. Once your child has committed him or herself to join a club it is imperative that they attend each session. **Should a child be unable to attend a club for any particular reason parents are asked to notify school.**

Yours sincerely

Mr D Adams  
Head Teacher
