

Year 4 Weekly Overview of Activities

Week Beginning- 29th June

Here is your overview of activities for the week. This week, I have included links rather than attaching documents so this should make it easier for your child to work more independently. Please let me know if you have any problems.

Multiplication Check

Dear Parents,

Your child should be completing the *Multiplication Check* next week in school, however because school is closed to many pupils we have decided to take part in the TT Rock Stars version of the **Multiplication Check 15th June-5th July**.

The next time your child logs on to TT Rock Stars they will be given two short multiplication tests to gather a picture of their knowledge of the times tables up to 12 x 12. As each child has been learning these tables all year, it is nothing to worry about, once your child has completed the two small tests, TT Rock Stars will then go back to the version they are used to seeing.

Please let me know if you have any problems and good luck children!

Mrs Knight
