

Welcome to Year One!

Miss Martin-Mills

SEE YOU
IN CLASS

Hello Year One! It is such a shame that we didn't get to do our normal transition in July where you would have got to spend some time in your new classroom. However, it just means that you have so much more to look forward to in September. I can't wait to welcome you back, we are going to have so much fun! ☺

My favourite food is pizza, closely followed by pasta, with something chocolaty for dessert! However, my favourite restaurant is Wagamamas!

NICE
TO
MEET
YOU!

My birthday is 19th June and on my birthday I love spending time in the sunshine with my family.

I love reading!
My favourite series of books was the Harry Potter series. I also enjoy reading books that make me feel like I am on holiday!

My favourite thing to do is go for long walks, shopping and staying at home and having a movie day!

I love watching musicals and my favourite ones are; La La Land, Hamilton and Mama Mia!

I love music and will listen to everything and anything! Every Tuesday I do a singing assembly in school and around Christmas I will often play the Piano whilst the whole school sings along!

My favourite colour is blue.

My favourite animals are armadillos, pangolins, dogs and horses!

I am not originally from Burton and moved here to live with my boyfriend who is also a teacher! All of my family live in Lancashire. I have 1 older brother and 1 younger brother, as well as 2 nephews who I love travelling to see.

An interesting fact about me is that I am a vegetarian and I play hockey twice a week.
