STATEMENT OF INTENT

At Shobnall Primary & Nursery School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this document, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This document aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

LEGAL FRAMEWORK

This document has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Data Protection Act 2018
- The UK General Data Protection Regulation (UK GDPR)
- The Education (Pupil Registration) (England) Regulations 2006
- DfE (2023) 'Providing remote education'
- DfE (2025) 'Keeping children safe in education'
- DfE (2015) 'SEND code of practice: 0 to 25 years'
- DfE (2024) 'Working together to improve school attendance'
- DfE (2022) 'Health and safety: responsibilities and duties for schools'
- DfE (2018) 'Health and safety for school children'
- DfE (2024) 'Children missing education'
- DfE (2020) 'Help with accessing and buying resources for remote education'
- DfE (2021) 'Get help with remote education'

This document operates in conjunction with the following school documents:

- Child Protection and Safeguarding
- Data Protection
- Special Educational Needs and Disabilities (SEND)
- Behaviour
- Accessibility
- Feedback
- Curriculum
- Online Safety
- Health, Safety and Wellbeing
- Attendance
- ICT Acceptable Use
- Staff Code of Conduct
- Data and E-Security Breach Prevention and Management Plan
- Children Missing Education

ROLES AND RESPONSIBILITIES

The **Local Governing Body** is responsible for:

- Ensuring that the school has robust risk management procedures in place.
Ensuring that the school has a business continuity plan in place, where required.

- Evaluating the effectiveness of the school's remote learning arrangements.

The **headteacher** is responsible for:

- Ensuring that staff, parents and pupils adhere to the relevant policies at all times.
- Ensuring that there are arrangements in place for identifying, evaluating, and managing the risks associated with remote learning.
- Ensuring that there are arrangements in place for monitoring incidents associated with remote learning.
- Overseeing that the school has the resources necessary to action the procedures in this document.
- Reviewing the effectiveness of this document on an annual basis and communicating any changes to staff, parents, and pupils.
- Arranging any additional training staff may require to support pupils during the period of remote learning.
- Conducting reviews on a weekly basis of the remote learning arrangements to ensure pupils' education does not suffer.

The **health and safety officer** is responsible for:

- Ensuring that the relevant health and safety risk assessments are carried out within the agreed timeframes, in collaboration with the headteacher.
- Putting procedures and safe systems of learning into practice, which are designed to eliminate or reduce the risks associated with remote learning.
- Ensuring that pupils identified as being at risk are provided with necessary information and instruction, as required.
- Managing the effectiveness of health and safety measures through a robust system of reporting, investigating, and recording incidents.

The **DPO** is responsible for:

- Overseeing that all school-owned electronic devices used for remote learning have adequate anti-virus software and malware protection.
- Ensuring all staff, parents, and pupils are aware of the data protection principles outlined in the GDPR.
- Ensuring that all computer programs used for remote learning are compliant with the GDPR and the Data Protection Act 2018.
- Overseeing that any ICT equipment used for remote learning is resilient and can efficiently recover lost data.

The **DSL** is responsible for:

- Attending and arranging, where necessary, any safeguarding meetings that occur during the remote learning period.
- Liaising with the ICT technicians to ensure that all technology used for remote learning is suitable for its purpose and will protect pupils online.
- Identifying vulnerable pupils who may be at risk if they are learning remotely.
- Ensuring that child protection plans are enforced while the pupil is learning remotely, and liaising with the headteacher and other organisations to make alternate arrangements for pupils who are at a high risk, where required.
- Identifying the level of support or intervention required while pupils learn remotely and ensuring appropriate measures are in place.
- Liaising with relevant individuals to ensure vulnerable pupils receive the support required during the period of remote working.
- Ensuring all safeguarding incidents are adequately recorded and reported.

The **SENDCO** is responsible for:

- Liaising with the ICT technicians to ensure that the technology used for remote learning is accessible to all pupils and that reasonable adjustments are made where required.
- Ensuring that pupils with EHC plans continue to have their needs met while learning remotely, and liaising with the headteacher and other organisations to make any alternate arrangements for pupils with EHC plans and IHPs.
- Identifying the level of support or intervention that is required while pupils with SEND learn remotely.
- Ensuring that the provision put in place for pupils with SEND is monitored for effectiveness throughout the duration of the remote learning period.
- Liaising with the headteacher and LA in circumstances where delivering remote education to pupils with EHC plans proves to be challenging or impossible in order to find other ways to provide education.

The **SBM** is responsible for:

- Arranging the procurement of any equipment or technology required for staff to teach remotely and for pupils to learn from home.
- Ensuring value for money when arranging the procurement of equipment or technology.
- Ensuring that the school has adequate insurance to cover all remote working arrangements.

The **ICT technicians** are responsible for:

- Ensuring that all school-owned devices used for remote learning have suitable anti-virus software installed, have a secure connection, can recover lost work, and allow for audio and visual material to be recorded, where required.
- Ensuring that any programs or networks used for remote learning can effectively support a large number of users at one time, where required, e.g. undertaking 'stress' testing.
- Working with the SENDCO to ensure that the equipment and technology used for learning remotely is accessible to all pupils and staff.

Staff members are responsible for:

- Adhering to this document at all times during periods of remote learning.
- Reporting any health and safety incidents to the health and safety officer and asking for guidance as appropriate.
- Reporting any safeguarding incidents to the DSL and asking for guidance as appropriate.
- Taking part in any training conducted to meet the requirements of this document, including training on how to use the necessary electronic equipment and software.
- Reporting any dangers or potential dangers they identify, as well as any concerns they may have about remote learning, to the headteacher.
- Reporting any defects on school-owned equipment used for remote learning to an ICT technician.
- Adhering to the Staff Code of Conduct at all times.

Parents are responsible for:

- Adhering to this document at all times during periods of remote learning.
- Ensuring their child is available to learn remotely at the times set out in this document, and that the schoolwork set is completed on time and to the best of their child's ability.
- Reporting any technical issues to the school as soon as possible.
- Ensuring that their child always has access to remote learning material during the times set out in this document.
- Reporting any absence in line with the terms set out in this document.
- Ensuring their child uses the equipment and technology used for remote learning as intended.

- Adhering to the Social Media Code of Conduct at all times.

Pupils are responsible for:

- Adhering to this document at all times during periods of remote learning.
- Ensuring they are available to learn remotely at the times set out in this document, and that their schoolwork is completed on time and to the best of their ability.
- Reporting any technical issues to their teacher as soon as possible.
- Ensuring they have access to remote learning material and notifying a responsible adult if they do not have access.
- Notifying a responsible adult if they are feeling unwell or are unable to complete the schoolwork they have been set.
- Ensuring they use any equipment and technology for remote learning as intended.
- Adhering to the Behaviour Document at all times.

RESOURCES

Learning materials

The school will accept a range of different teaching methods during remote learning to help explain concepts and address misconceptions easily. For the purpose of providing remote learning, the school may make use of:

- Work booklets
- Email
- Current online learning portals (e.g. Oak National Academy, White Rose Maths, Twinkl)
- Educational websites
- Reading tasks
- Live webinars
- Pre-recorded video or audio lessons

Teachers will review the DfE's list of [online education resources](#) and utilise these tools as necessary, in addition to existing resources.

Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote learning.

Teachers will ensure the programmes chosen for online learning have a range of accessibility features, e.g. voice-to-text conversion, to support pupils with SEND.

The school recognise that interactive lessons are most effective in aiding pupils' motivation and academic progression and, to this effect, teachers will ensure they regularly recreate aspects of in-person interactivity , e.g. live classes with questioning, eliciting and reflective discussion, to the best of their ability and with appropriate resources and safeguarding procedures in place.

Lesson plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

The school will review the resources pupils have access to and adapt learning to account for all pupils needs by using a range of different formats, e.g. providing work on PDFs which can easily be printed from a mobile device.

Work packs will be made available for pupils who do not have access to a printer – these packs can be collected from school.

Teaching staff will liaise with the SENDCO and other relevant members of staff to ensure all pupils remain fully supported for the duration of the remote learning period.

The SENDCO will arrange additional support for pupils with SEND which will be unique to the individual's needs, e.g. via weekly phone calls.

Any issues with remote learning resources will be reported as soon as possible to the relevant member of staff.

Pupils will be required to use their own or family-owned equipment to access remote learning resources, unless the school agrees to provide or loan equipment, e.g. laptops.

For pupils who cannot access digital devices at home, the school will, where possible, apply for technology support through their academy.

Pupils and parents will be required to maintain the upkeep of any equipment they use to access remote learning resources.

Teaching staff will oversee academic progression for the duration of the remote learning period and will mark and provide feedback on work in line with this document.

The arrangements for any 'live' classes, e.g. webinars, will be communicated via email no later than one day before the allotted time and kept to a reasonable length of no more than one hour per session.

The ICT technicians are not responsible for providing technical support for equipment that is not owned by the school.

Food Provision

The school will signpost parents via email towards additional support for ensuring their children continue to receive the food they need, e.g. food banks.

The school will work with their catering team and/or food provider to ensure good quality lunch parcels are provided to pupils eligible for FSM who are accessing remote education until they are able to attend school.

Costs and expenses

The school will not contribute to any household expenses incurred while pupils learn remotely, e.g. heating, lighting, or council tax.

The school will not reimburse any costs for travel between pupils' homes and the school premises.

The school will not reimburse any costs for childcare.

If a pupil is provided with school-owned equipment, the pupil and their parent will sign and adhere to the Technology Acceptable Use Agreement prior to commencing remote learning.

SYSTEMS AND TECHNOLOGY

Staff will only download software for live online lessons from a trusted source, e.g. Apple App Store, Google Play or a reputable provider's official website.

The ICT manager will research the providers the school will use for live online lessons, taking into account ease of use, privacy measures and suitability for the purposes of live online lessons. Where necessary, they will refer to government-approved resources, e.g. from the [National Cyber Security Centre \(NCSC\)](#) and from the [South West Grid for Learning](#), when selecting their recommended providers.

Teachers will review the DfE's list of [online education resources](#) and utilise these resources as necessary.

To prevent the misuse of remote education software, staff will:

- Ensure privacy settings are adjusted appropriately on the provider's site or application.
- Ensure their live online lesson service account is protected with a strong password and will not autosave their password on any device.
- Ensure they test and understand the service before conducting their first live online lesson using the 'test' function, where applicable.
- Ensure they understand how to mute the microphone and how to turn off their camera on their device before their first live online lesson.
- Ensure all pupils due to attend live online lessons have access to equipment that will enable them to participate, e.g. a laptop and internet access, to ensure they do not fall behind their peers who do have access.
- Ensure streaming and online chat functions are disabled for pupils.

For aspects of the curriculum which are difficult to deliver through online provision, e.g. science experiments, teachers will consider using video demonstrations accompanied by supporting explanation.

For live online PE lessons where replicating in-person teaching provision is difficult to achieve, teachers will consider using video demonstrations accompanied by supporting explanation. Pupils will be encouraged to take regular physical exercise to maintain fitness.

SAFEGUARDING

This section of the document will be enacted in conjunction with the school's policies and procedures for **Child Protection and Safeguarding**, which has been updated to include safeguarding procedures in relation to remote working.

The **DSL** and **headteacher** will identify 'vulnerable' pupils (pupils who are deemed to be vulnerable or are at risk of harm) via risk assessment prior to the period of remote learning.

The **DSL** will arrange for regular contact to be made with vulnerable pupils, prior to the period of remote learning.

Phone calls made to vulnerable pupils will be made using school phones where possible.

The **DSL** will arrange for regular contact with vulnerable pupils **once per week** at minimum, with additional contact, including home visits, arranged where required.

All contact with vulnerable pupils will be recorded on paper and suitably stored in line with the **Records Management Document**.

The **DSL** will keep in contact with vulnerable pupils' social workers or other care professionals during the period of remote working, as required.

All home visits will:

- Have at least **one** suitably trained individual present.
- Be undertaken by no fewer than **two** members of staff.
- Be suitably recorded on paper and the records stored so that the **DSL** has access to them.
- Actively involve the pupil.
- Only take place following the completion of a Home Visit Risk Assessment.

Vulnerable pupils will be provided with a means of contacting the DSL, their deputy, or any other relevant member of staff – this arrangement will be set up by the DSL prior to the period of remote learning.

The DSL will meet, in person or remotely, with the relevant members of staff termly to discuss new and current safeguarding arrangements for vulnerable pupils learning remotely.

All members of staff will report any safeguarding concerns to the DSL immediately. Pupils and their parents will be encouraged to contact the DSL if they wish to report safeguarding concerns, e.g. regarding harmful or upsetting content or incidents of online bullying. The school will also signpost families to the practical support that is available for reporting these concerns.

Staff will always have due regard for the school's policies and procedures for Child Protection and Safeguarding during remote education, e.g. whilst conducting live online lessons.

The planning of live lessons will always be carried out in conjunction with the school's DSL.

The school will ensure the system used for live online lessons does not have a minimum age requirement above the age bracket of pupils attending the lesson. Pupils will not share private information through the live online system. Pupils will not respond to contact requests from people they do not know when using systems for live online lessons.

Pupils will be informed of the reporting lines, should they see or hear anything inappropriate during live online lessons, via email. Pupils will be provided with the contact details of the DSL to report any concerns.

Staff will ensure all video and phone calls are not set to public, and meetings are protected with passwords. Meeting links and passwords will not be published publicly.

Support staff will be on hand to supervise and handle any sudden changes or developments, such as disputes between pupils, that may occur during the live online lesson.

Staff will uphold their safeguarding obligations and will report any incidents or potential concerns to the DSL in line with the school's procedures for Child Protection and Safeguarding.

The school will ensure that parents know what pupils are expected to do for a live online lesson, including the websites pupils will be asked to use and the school staff pupils will interact with online.

The school will communicate the importance of online safety to parents, and encourage parents to set age-appropriate parental controls on digital devices and use internet filters to block malicious websites. The school will inform parents of the [government-approved resources](#) on child online safety to support parents further.

DATA PROTECTION

This section of the document will be enacted in conjunction with the school's procedures for data protection.

The school will obtain consent from parents to conduct any live online lessons via letter.

The school will communicate the details of how to access the live online lesson and any additional information regarding online learning to parents and pupils via email.

The school will obtain consent from parents if any images or identifying information about any pupil may be used during the live online lesson, e.g. by using video conferencing, via letter.

The school will provide pupils with a school email address and login for the chosen live online lesson platform to ensure no personal email addresses or usernames are used by pupils.

Staff will ensure data is only transferred between devices if it is necessary to do so for the purposes of live online lessons, e.g. to report anything serious that has taken place during the online lesson.

Any data transferred between devices will be suitably encrypted. Where this is not possible, other data protection measures will be in place, such as using the initials of pupils instead of full names.

When recording a live lesson is necessary, prior permission will be acquired from parents in writing via email and all members of the live lesson will be notified before the lesson commences via email, and again once they have joined the live online lesson before recording commences.

PUPIL CONDUCT

The school will ensure pupils understand their responsibilities with regards to conduct during live online lessons.

The school will ensure that pupils sign and return the ICT Acceptable Use Agreement for Pupils prior to taking part in live online lessons.

Pupils will be reminded that they should take part in live online lessons in an appropriate setting, e.g. a quiet space with a neutral background.

Pupils will be reminded not to record live online lessons on their devices.

Pupils will not speak during live online lessons unless they are prompted to do so or have a question about the lesson.

Pupils will adhere to the school's procedures for behaviour and discipline at all times during live online lessons, as they would during a normal school day.

The school will ensure that any pupils who breach the code of conduct will be disciplined in line with the school's procedures for behaviour and discipline.

STAFF CONDUCT

Staff will follow the requirements set out in the Staff Code of Conduct and will ensure they understand their responsibilities with regard to conduct during live online lessons.

The school will ensure that staff read, sign and return the ICT Acceptable Use Agreement for Staff prior to commencing live online lessons.

Staff will only use school-provided email addresses and phone numbers to communicate with pupils when conducting live online lessons.

Staff will only use school-owned devices for conducting live online lessons, where possible.

Staff will not share personal information whilst conducting live online lessons.

Staff will ensure they conduct their live online lesson from an appropriate location – either the classroom or, if this is not possible, from a quiet area in their home which has a neutral background.

Staff will communicate with pupils within school hours as far as possible, or within hours agreed with the school to suit the needs of staff.

Staff will only communicate and conduct live online lessons through channels approved by the SLT.

Staff will not commence online lessons until at least one other member of staff is in the live lesson 'room', and not without confirmation that at least one other colleague is aware that the live online lesson is taking place.

Staff will keep a log of what happens during live online lessons, e.g. behavioural issues or technical glitches, and ensure it is properly documented in line with the school's procedures for Records Management.

PUPILS WITH SEND

The school will ensure pupils with SEND receive any additional support with live online lessons where needed, e.g. from an additional member of staff within the live online lesson via phone call.

Staff will be sensitive to the needs of any pupils who may be sensitive to certain topics or issues that may arise during live online lessons.

The SLT, SENCO and relevant teacher will consider whether one-to-one lessons are appropriate in some circumstances for pupils with SEND.

The school will ensure that the appropriate curriculum, teaching and support will be available to pupils with SEND to ensure they continue to learn effectively. Additional measures will be considered for pupils with SEND to mitigate the risk of pupils falling behind their peers in terms of education, e.g. text transcripts being used in video lessons.

The school will work collaboratively with families to put arrangements in place that allow pupils with SEND to successfully access remote education when necessary.

ONLINE SAFETY

This section of the policy will be enacted in conjunction with the school's policies and procedures for Online Safety.

Where possible, all interactions will be textual and public.

All staff and pupils using video communication will:

- Wear suitable clothing – this includes others in their household.
- Use appropriate language – this includes others in their household.
- Maintain the standard of behaviour expected in school.
- Use the necessary equipment and computer programs as intended.
- Not record, store, or distribute video material without permission.
- Ensure they have a stable connection to avoid disruption to lessons.

- Always remain aware that they are visible.

All staff and pupils using audio communication will:

- Use appropriate language – this includes others in their household.
- Maintain the standard of behaviour expected in school.
- Use the necessary equipment and computer programs as intended.
- Not record, store, or distribute audio material without permission.
- Ensure they have a stable connection to avoid disruption to lessons.
- Always remain aware that they can be heard.

The school will consider whether one-to-one sessions are appropriate in some circumstances, e.g. to provide support for pupils with SEND. This will be decided and approved by the SLT, in collaboration with the SENCO.

Pupils not using devices or software as intended will be disciplined in line with the procedures for behaviour and discipline.

The school will consult with parents at least two weeks prior to the period of remote learning about what methods of delivering remote teaching are most suitable – alternate arrangements will be made where necessary.

The school will communicate to parents via [email](#) about any precautionary measures that need to be put in place if their child is learning remotely using their own/family-owned equipment and technology, e.g. ensuring that their internet connection is secure.

The school will ensure that all school-owned equipment and technology used for remote learning has suitable anti-virus software installed, can establish secure connections, can recover lost work, and allows for audio and visual material to be recorded or downloaded, where required. The school will risk assess the technology used for remote learning prior to use and ensure that there are no privacy issues or scope for inappropriate use.

During the period of remote learning, the school will maintain regular contact with parents to:

- Reinforce the importance of children staying safe online.
- Ensure parents are aware of what their children are being asked to do, e.g. sites they have been asked to use and staff they will interact with.
- Encourage them to set age-appropriate parental controls on devices and internet filters to block malicious websites.
- Direct parents to useful resources to help them keep their children safe online.

The school will not be responsible for providing access to the internet off the school premises and will not be responsible for providing online safety software, e.g. anti-virus software, on devices not owned by the school.

FEEDBACK

All schoolwork completed through remote learning must be:

- Finished when returned to the relevant member of teaching staff.
- Returned on or before the deadline set by the relevant member of teaching staff.
- Completed to the best of the pupil's ability.
- The pupil's own work.
- Marked in line with the school's Marking and Feedback Document.
- Returned to the pupil, once marked, by an agreed date.

The school expects pupils and staff to maintain a good work ethic during the period of remote learning.

Pupils are accountable for the completion of their own schoolwork – teaching staff will contact parents via email if their child is not completing their schoolwork or their standard of work has noticeably decreased.

Teaching staff will monitor the academic progress of pupils with and without access to the online learning resources and discuss additional support or provision with the headteacher as soon as possible.

Teaching staff will monitor the academic progress of pupils with SEND and discuss additional support or provision with the SENDCO as soon as possible.

The school accepts a variety of formative assessment and feedback methods, e.g. through quizzes and other digital tools from teachers, and will support them with implementing these measures for remote learning where possible.

The school will log participation and pupil engagement with remote education, as well as motivation levels and progress.

The school will consider ways to use feedback to secure consistent engagement with remote material, e.g. introducing a newsletter sent to parents and pupils which displays exemplary work and rewards engagement or outcomes.

HEALTH AND SAFETY

This section of the document will be enacted in conjunction with the school's Health and Safety Document.

Teaching staff and **ICT technicians** will ensure pupils are shown how to use the necessary equipment and technology safely and correctly prior to the period of remote learning.

If using electronic devices during remote learning, pupils will be encouraged to take a **five-minute** screen break every **two hours**.

Screen break frequency will be adjusted to **five minutes** every **hour** for younger pupils or pupils with medical conditions who require more frequent screen breaks.

If any incidents or near-misses occur in a pupil's home, they or their parents are required to report these to the **health and safety officer** or other relevant member of staff immediately so that appropriate action can be taken.

ATTENDANCE AND ABSENCE

The school will not view remote education as an equal alternative to on-site attendance and will only consider remote education as a last resort when the alternative would be no education.

Circumstances where remote education will be considered will fit into the following two categories:

- School closures or restrictions on attendance, where school access for pupils is restricted
- Individual cases where a pupil is unable to attend school but is able to learn

The school will continue to record pupil attendance and absence in the register in line with the education regulations and [attendance guidance](#), using the most appropriate code, and in line with the school's Attendance and Punctuality Policy.

Pupils will be present for remote learning by 9:00am and cease their remote learning at 3:30pm from Monday to Friday, with the exception of breaks and lunchtimes.

Breaks and lunchtimes will take place at the following times each day:

- Morning break will take place at 10:30am until 10:45am.
- Lunchtime will take place between 12:00pm and 1:10pm.
- Afternoon break will take place at 2:15pm until 2:30pm.

Pupils with SEND or additional medical conditions who require more regular breaks, e.g. sensory breaks, are not expected to do schoolwork during their breaks.

Pupils who are unwell are not expected to be present for remote learning until they are well enough to do so. Parents will inform their child's teacher no later than 8:30am if their child is unwell.

The school will monitor absence and lateness in line with the Attendance and Punctuality Policy.

For individual cases where a pupil is unable to attend school but is able to partake in remote education, the school will consider providing remote education on a case-by-case basis as part of a plan to reintegrate the pupil back to school. Remote education will only be provided when it is judged that its provision will not adversely affect the pupil's return to school.

School closures and attendance restrictions

The school will ensure that every effort is made to ensure pupils can be taught in person where possible.

The school will explore all options to ensure the school can remain open to all pupils; however, in circumstances where it is not possible to safely remain open or where remaining open would contradict local or central government guidance, the school will consider providing remote education.

The school will ensure that it has a plan in place outlining remote education procedures for teachers, parents and pupils. The DfE's [emergency planning guidance](#) will be consulted in the event of school closures or attendance restrictions.

COMMUNICATION

The school will ensure adequate channels of communication are arranged in the event of an emergency.

The school will communicate with parents via letter and the school website about remote learning arrangements as soon as possible.

The **headteacher** will communicate with staff as soon as possible via **email** about any remote learning arrangements.

Members of staff involved in remote teaching will ensure they have a working mobile device that is available to take phone calls during their agreed working hours.

The school understands that pupils learning remotely have the right to privacy out-of-hours and should be able to separate their school and home lives – communication is only permitted during school hours.

Members of staff will have contact with their line manager **once per week**.

As much as possible, all communication with pupils and their parents will take place within the school hours outlined in this document.

Pupils will have verbal contact with a member of teaching staff at least **once per week** via **group phone call**.

Parents and pupils will inform the relevant member of staff as soon as possible if schoolwork cannot be completed.

Issues with remote learning or data protection will be communicated to the **pupils' teacher** as soon as possible so they can investigate and resolve the issue.

The **pupils' teacher** will keep parents and pupils informed of any changes to the remote learning arrangements or the schoolwork set.

The **headteacher** will review the effectiveness of communication on a **weekly** basis and ensure measures are put in place to address gaps or weaknesses in communication.

MONITORING AND REVIEW

This document will be reviewed every three years by the headteacher.

Any changes to this document will be communicated to all members of staff and other stakeholders.
