My favourite things about Year 5

I'm so excited to be returning for my second year teaching Year 5 at Shobnall Primary and Nursery School! I can't wait to help the children learn, grow, and achieve their very best this year, while also having lots of fun along the way!

Year 5 is an exciting year, packed full of amazing activities! In my opinion, the best part has to be our residential trip to Whitemoor Lakes!

My favourite quote:

"The more that you read, the more things you will know. The more that you learn, the more places you'll go."

Outdoor Play and Learning

What is OPAL (Outdoor Play and Learning)?

- OPAL is a program that helps schools improve lunchtimes by making outdoor spaces more fun, creative, and inclusive.
- It encourages children to play in their own way, using their imagination and making their own choices.
- The focus is on unstructured, outdoor play using natural and open-ended materials like sticks, sand, tires, and water.

Benefits of OPAL for children:

- Boosts creativity – children invent their own games and ideas.
- Builds confidence and independence – they make choices and take manageable risks.
- Encourages teamwork and problem-solving – playing together helps develop social skills.
- Improves physical health – children are more active and spend more time outdoors.
- Supports emotional wellbeing – play helps reduce stress and builds resilience.

Children will need to bring a pair of wellies into school, so that they can access OPAL, no matter the weather!
