

The logo is a circular emblem with a yellow and red segmented border. Inside the circle is a dark blue banner with the school's name in white capital letters. The background of the entire page is a light blue grid with a large, thick, red, hand-drawn line curving across it. There are also illustrations of school supplies: a blue spiral notebook on the left and two yellow pencils on the right. Small white stars are scattered throughout the grid.

Outdoor Play and Learning

What is OPAL (Outdoor Play and Learning)?

- OPAL is a program that helps schools improve lunchtimes by making outdoor spaces more fun, creative, and inclusive.
- It encourages children to play in their own way, using their imagination and making their own choices.
- The focus is on unstructured, outdoor play using natural and open-ended materials like sticks, sand, tires, and water.

Benefits of OPAL for children:

- Boosts creativity – children invent their own games and ideas.
- Builds confidence and independence – they make choices and take manageable risks.
- Encourages teamwork and problem-solving – playing together helps develop social skills.
- Improves physical health – children are more active and spend more time outdoors.
- Supports emotional wellbeing – play helps reduce stress and builds resilience.

Children will need to bring a pair of wellies into school, so that they can access OPAL, no matter the weather!
