YOUR NEW CLASS 2026-2027

**LET'S LEARN ALL ABOUT YOUR NEW CLASSROOM, TEACHER AND
CURRICULUM!**

Meet your teacher

Mr Bishop (Mr B)

My name is Mr Bishop and I will be your teacher in Year 6. I can't wait to spend the year ahead with you all.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time. Email the office at: shb-office@shbjtmat.co.uk

A bit about me!

Favourite colour: blue

Favourite sport: football/golf

Favourite drink: Pepsi max

Favourite subject: PE & maths

When I'm not at school you might find me....

In the stands at St Andrews watching Birmingham City or hacking my way around a golf course or drinking an iced matcha!

My favourite things about Year 6

This is my sixth year at Shobnall Primary and Nursery School!

Whilst I have been here, I have only taught Year 4 and Year 6!

This is my second year in Year 6.

As well as being the Year 6 class teacher, I also lead both Science and PE.

Year 6 is the best year. It is full of amazing activities, such as transition days, Laches Wood, brewhouse performance and the leavers disco and assembly!

My favourite quote:

"Resilience is not about failing - it's about teaching our children how to rise every time they do."

Homework

Weekly children will receive:

- Either a piece of maths or English homework on Fridays.

Spelling Shed

- Reading – children are required to read at least three times a week and bring their reading diary to school every day to be signed.

- Spellings – 10 words a week that are tested on a Friday. These should be practised on Spelling Shed every evening for at least 10 minutes.

- Times Table Rockstars should also be used daily to help your children maintain their times table knowledge for at least 10 minutes.

- Homework **MUST** be returned by Wednesday

Outdoor Play and Learning

What is OPAL (Outdoor Play and Learning)?

- OPAL is a program that helps schools improve lunchtimes by making outdoor spaces more fun, creative, and inclusive.
- It encourages children to play in their own way, using their imagination and making their own choices.
- The focus is on unstructured, outdoor play using natural and open-ended materials like sticks, sand, tires, and water.

Benefits of OPAL for children:

- Boosts creativity – children invent their own games and ideas.
- Builds confidence and independence – they make choices and take manageable risks.
- Encourages teamwork and problem-solving – playing together helps develop social skills.
- Improves physical health – children are more active and spend more time outdoors.
- Supports emotional wellbeing – play helps reduce stress and builds resilience.

Children will need to bring a pair of wellies into school, so that they can access OPAL, no matter the weather!

DONATIONS NEEDED!

Guttering and buckets for water play

- Beach spades
- Cuddly toys
- Costumes
- Hard construction hats
- Plastic trucks
- Small sinks and bathtubs

We are also looking for parents who could support in building areas of play for our children – this includes:

- Dens
- Mud kitchen
- Shelters Etc.

Assessments

Throughout your child's time at primary school, the Department for Education (DfE) has several key assessments to check their progress. These checkpoints help teachers understand how your child is doing and where they may need more support.

SUMMER TERM

Year 6 - DfE SATs

Year 6 SATs are standardised tests taken by children in England to assess their progress and achievement in maths, reading, and grammar, punctuation, and spelling. They are compulsory for Year 6 students in state primary schools and are used to determine if children are meeting the expected standards at the end of Key Stage 2.

At Shobnall Primary & Nursery School, we believe that all children have an equal right to a full and rounded education which will enable them to achieve their full potential. We use our best endeavours to secure special educational provision for pupils for whom this is required, that is 'additional to and different from' that provided within the differentiated curriculum to better respond to the four areas of need identified in the Code of Practice (September 2014).
