SHOBNALL STARS
NIGHT OWLS

At Shobnall Primary & Nursery School, our motto is **'Happy Children, Inspired Learners'**. We value our community and always strive to meet all the needs of our families.

Our **after school club** runs from 3.30pm to 6pm, Monday to Friday. The club is fully supervised where the children are encouraged to have fun and learn through play-based activities, indoor and outdoor. In summer, we recommend children bring sunhats and sun cream for hot weather and in winter, warm clothing.

Shobnall Stars Night Owls is held within a safe and secure environment that offers a wide range of planned, age-related activities based on the children's interests. We also ensure that our activities are designed to enhance the learning journey for your children through child centred, purposeful play and fun.

The provision is **term time** only and is only available to children who attend Shobnall Primary & Nursery School from Reception to Year 6.

Our policies and procedures fall under the remit of the school and are available on the School Policies and Procedures section of our school website.

We look forward to welcoming your child/children to this exciting provision in our school.

OUR OFFER

Our **after school club** runs from 3.30pm to 6pm, Monday to Friday.

The club is fully supervised in the school hall by our staff, providing a safe and fun end to the day. Parents are not permitted to enter the provision when in operation due to safeguarding regulations. Parents must notify staff that their child is being collected by ringing the bell to the right of the front gate. A member of staff will greet you before handing your child to you with their belongings.

Those children who are attending any of our extra-curricular clubs can be taken to their chosen clubs or go independently if they are mature enough and if they are attending Shobnall Stars Night Owls, we will ensure they are collected and are registered to our care after their club finishes.

During Shobnall Stars Night Owls, the children are free to choose from a selection of both planned and unplanned activities which enhance the provision. Resources are readily available, which include arts and crafts, colouring and drawing, board games, construction, role play, physical play and quiet areas for reading and homework etc. There are also themed nights based on the celebrations of other cultures and traditions, where the children can all get creative.

Fruit is always available for children to access but children are permitted to bring their own snacks/food if you would prefer. Water is readily available.
